

Fuel Cells and Green Hydrogen Centres of Vocational Excellence

Building Hydrogen Skills for Europe: Training, Innovation and Capacity Building

Venue: online ([Zoom link](#))

Date: 14th October 2026

Time: 10:00 – 12:05 CET

Objective

This workshop showcases the key educational resources, digital tools, and capacity-building services developed within the *H2Excellence* project.

Bringing together vocational education and training (VET) providers, universities, policymakers, experts, and key hydrogen stakeholders, the event aims to foster collaboration, facilitate the uptake of project outcomes, and strengthen Europe's hydrogen skills ecosystem.
